

We wanted to share a bit of great news with you, on March 16, 2020 we welcomed Lauren DiCicco to our team. Lauren has taken over the role of Client Administrative Manager, working closely with myself and Linda. We are happy to say that under the current and unique circumstances, Lauren has jumped into the role full of energy and eager to learn. Linda has been training her over the past few weeks and will begin to introduce her to you over the phone in the coming days and weeks.

Lauren is well versed in the area of Customer Service & Project Management in industries including Healthcare and Education. Her leadership skills, friendly demeanor and patience are just a few things that make her a great addition to our team.

Please welcome us in joining Lauren and wishing her great success and long career with Linda and I.

Sincerely,

Ken
